

PRESS RELEASE – 5 February 2019

TechAnax and OBXtek partner under SBA’s All Small Mentor-Protégé Program

TechAnax LLC, a Service Disabled Veteran Owned Small Business (SDVOSB) and leading provider of information technology services and solutions to the U.S. Federal Government, and OBXtek Inc. received approval to partner under the Small Business Administration (SBA)’s All Small Mentor-Protégé Program (ASMPP). As a mentor, OBXtek will provide business development assistance to our protégé, TechAnax. The partnership will be effective for three years, with a potential three-year extension.

TechAnax, a Service Disabled Veteran Owned Small Business (SDVOSB), is a professional services company delivering customized information technology and management solutions.

“The All Small Mentor Protégé Program provides TechAnax with an excellent opportunity to work with a successful company that also started as a SDVOSB,” said Byron Athan, TechAnax’s president & CEO. *“We’re excited to partner with OBXtek through this program.”*

“The All Small Mentor-Protégé Program is a great opportunity to help small businesses increase their capabilities,” said Dale Spencer, OBXtek president and chief operating officer. *“Similar to TechAnax, OBXtek started as a Service Disabled Veteran Owned Small Business. We’re proud to help other veterans grow successful businesses and we look forward to our new partnership with TechAnax.”*
